

PARENT INSTRUCTIONS

YOU HAVE THE WHOLE WEEK TO WORK THROUGH EACH SECTION. YOU DON'T HAVE TO DO IT AT THE STATED TIME JUST A RECOMMENDATION. SO ONE DAY YOU CAN DO THE MORNING TIME SECTION, ANOTHER DAY DO THE DRIVE TIME, ETC.

IT'S ABOUT GETTING YOUR FAMILY TALKING AND APPLYING WHAT YOU LEARN TO REAL LIFE. TRY DIFFERENT TIMES OF DAY AND SEE WHAT WORKS FOR YOUR FAMILY. PRAYING THIS IS HELPFUL IN BRINGING YOUR FAMILY CLOSER TO EACH OTHER AND TO CHRIST.

MORNING TIME

This week's lesson is a bit mature for most children (adultery and stoning), please decide how best to describe this lesson to your children. If you feel it is appropriate read John 8:7-9. You can choose to explain that people wanted to punish/discipline this woman for a bad thing she did, instead of going into detail.

DRIVE TIME

Before driving download a new playlist to play in the car. Encourage your family to listen to music that helps them worship God and reminds them of what Jesus did for them. Here is one we made for you:
thechapel.org/ckweek4

MEAL TIME

Talk about some things people do that are not nice, that hurt other people, maybe have hurt you. How can we do as Jesus did and love people first? How can we forgive them? What would it mean to you to not be punished for something that does deserve a punishment?

BED TIME

Have one person read and other family member repeat parts of the following verse. Repeat a few times until you have it committed to memory. John 8:12, "When Jesus spoke again to the people, he said, 'I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life.'"
