

## PARENT INSTRUCTIONS

You have the whole week to work through each section. So one day you can do the Morning Time section, another day do the Drive Time, etc. It's about getting your family talking and applying what you learn to REAL LIFE. Praying this is helpful in bringing your family closer to each other and to Christ.

COMMON GROUND 2020 WEEK 4

DANIEL 6 - DANIEL AND THE LION'S DEN

## MORNING TIME

Put on some worship music in the morning to set the tone in your house.

(Search "Christian Worship Music" on any music app.)

Talk about how singing to God is one way we can honor Him and give Him credit for who He is.

## DRIVE TIME

While you drive, play the game, "ABC PICNIC".

Here's how you play. The first person says, "I am going on a picnic and I am bringing..." and they have to say something that starts with A, like "apples." The second person says, "I am going on a picnic and I am bringing..." and they say what the first person said PLUS they add their own item that starts with B, like "bananas". The third person says, "I am going on a picnic..." and says the A, B words and adds their C item and so on until you get to Z. Yes, the last person will have to remember all the items from A-Z!

## MEAL TIME

Each family member must come up with one way they could help the person to their right at the table.

**IDEAS:** Take their dish over after the meal. Walk the dog. Help them with homework. Do a load of laundry. Give them a foot rub. :)

## BED TIME

Read and work to memorize this verse (try making up motions to help you remember the verse). Romans 12:10 NIV "Love one another deeply. Honor others more than yourselves." **PRAYER:** Lord, Help me to put others before myself. Please remind me of ways I can help and show your love to others. Please help me to trust in you always. Amen.
