

RESTARTING PLAN

DEAR CHAPEL FAMILY

It's definitely starting to feel like fall! We've had a great start to our ministry season here at The Chapel: our Common Ground series on Daniel taught us that Different is Good, many of you are connecting in small groups, and our online services, groups and Chapel Kids online classes are all going strong. In addition to that, we've had a great time worshipping outdoors for the past two months!

While we'll continue offering online services, groups and classes, we're also looking forward to restarting indoor services on November 15!

Our primary concern is for the spiritual and physical health of our congregation, volunteers and staff – so we don't make the decision to restart indoor services lightly.

Back in April when we shared our Restarting Plan, we said that Phase 3 would include the return to meeting together indoors.

We'll continue to monitor the situation and follow the guidelines and recommendations of the CDC and our local authorities, but at this time we feel safe moving into Phase 3.

YOUR HEALTH AND SAFETY IS IMPORTANT TO US, SO WE WANT YOU TO KNOW SOME OF THE PRECAUTIONS WE'RE TAKING

- We've upgraded our air handling systems by installing UV lighting in the air ducts of our Main Building. These UV lights will kill 99%+ of the germs circulating in our Main Auditorium and Lobby areas.
- In addition, we've installed air purifiers in other rooms throughout the building.
- Masks will be required for anyone over the age of 2 attending a service or event at The Chapel. We ask that you keep your mask on properly at all times. As you've heard us say before, wearing a mask is a simple and effective way to love each other when in close contact.

- Hand Sanitizer stations are placed throughout the building for all services and events.
- Chairs have been removed in the Auditorium to allow for social distancing between families and households.
- We have misting equipment to sanitize the Auditorium between services, and we'll sanitize the restrooms before each service.
- We're closing the Café for now, and we ask that you not bring any food or drink with you. It's ok to bring a bottled water with you if you need that for health reasons.

WHAT'S NEXT FOR THE CHAPEL

Beginning November 15, we'll offer a Classic Service at 8:45am and a Modern Service at 10:30am. Each service will be limited to 150 people, and you can register for either service beginning on Monday morning each week.

These same services will be shown at our Online Campus at 8:45am and 10:30am each week, so if you're not able to register one week or you're more comfortable staying home, we look forward to being with you online.

At this time, we will be offering two services at Lincoln Park, and we'll continue to monitor the situation to determine when to restart services in Wayne.

Of course, if you're not feeling well or if you've been in contact in the last 14 days with someone who has Covid-19, we ask that you stay home and join us online

And here's more exciting news: our Chapel Kids classes will restart on November 29 during the 10:30am service for kids in Kindergarten thru 5th grade. Until then, you can bring your kids with you into the service.

Our Chapel Kids online classes will continue, so you can all attend online if you prefer. Our Middle School students will restart their Sunday morning classes on 11/15 at 10:30am in the Student Ministry Building.

If you have any questions about Chapel Kids or Chapel Students, reach out to those teams.

We are so thankful for all of you. Your prayers, encouraging words, and commitment to The Chapel have meant so much to us during this time.

We're excited for what God has planned for us in the months ahead, and we look forward to seeing you all soon!

Pastor Dave & Pastor Ted
