Un-Assuming
Confidence
2 Corinthians 3

1. How do you receive confidence? What sources do they come from?
2. Read 2 Cor 3. In verses 1-5, Paul says his security does NOT come from others' opinions nor by his assets. Where does he say his confidence comes from? What does that mean?
3. Read verses 5-8, where Paul compares the Old Testament with the New Testament. Based on this, discuss the two reasons why Paul says he has great boldness in verse 12?
4. Read verses 15-16, explain what Paul means when he refers to the veil and the Old Testament. Then, describe one more reason for Paul's boldness.
5. If you struggle with self-based confidence, what are practical ways you can let the Gospel of Christ minister to you and help you to shift your mindset? How can you take steps to be bolder with others? Remember what an awesome thing it is that we get the verdict before the performance!
