Simeon's Song
Luke 2:22-35

1. What is our culture's perception of waiting? How do you respond when you have to wait?

Read Luke 2:22-35

2. We don't know much about Simeon but according to the scripture passage discuss what kind of man he was? What was he waiting for? How did he handle the waiting?
3. Reread verses 28-34. Simeon was so ecstatic that the wait for his coming savior was over. We, on the other hand, still have waiting to do. Do you long for the Second Coming of Christ? Why or why not?
4. Discuss other examples in scripture of waiting. Was their response godly? If so, how can you imitate examples like them and Simeon?
5. How can knowing Jesus as your savior change your perspective to waiting, your priorities in life and your peace within? What area needs the most change? What is something practical you can do to help make that change?
